

Colourful autumn in the Uymon Valley (Autumn 2023)

Altai - the pearl of Siberia, some few beautiful places on the planet such as Altai. You definitely need to visit - very hard to find and impossible to forget this pristine beauty and harmony.

It is noteworthy that the valley mastered enough to provide comfort for travelers, while at the same time they visit the unique natural and cultural monuments.

We invite you spend a wonderful vacation in beautiful corner of the Altai Mountains – the Uymon Valley. This is a good opportunity to escape from the world of noisy megacities into the space of pure forces of nature. Here you will enjoy a fresh air, walk along mountain trails near swift rivers and beautiful lakes, listen to the sounds of nature and magic silence, and just watching the flames of an evening bonfire.

In 1926 there visited the Central Asian expedition of the famous mystic philosopher, artist and scientist - Nicholas Roerich. He believed that it is here to begin the flowering of a new civilization. In the meantime, it is one of the favorite places for nature lovers.

TRIP DESCRIPTION

Altai - the pearl of Siberia, some few beautiful places on the planet such as Altai. You definitely need to visit - very hard to find and impossible to forget this pristine beauty and harmony. One of the most beautiful places in the Altai is Uymon Valley (Uymon steppe) - the intermountain basin between Terektinsky and Katun ridge on the south of the Altai Republic. In 1926 there visited the Central Asian expedition of the famous mystic philosopher, artist and scientist - Nicholas Roerich. He believed that it is here to begin the flowering of a new civilization. In the meantime, it is one of the favorite places for nature lovers. It is noteworthy that the valley mastered enough to provide comfort for travelers, while at the same time they visit the unique natural and cultural monuments.

Tour program allows you to see the beautiful mountain lakes - a real discovery for beauty lovers. Also, the tour participants can make a simple but breathtaking rafting by blue color Coxa river, watching the highest peak of the Altai Mountains - Mount Belukha (4506 m). According to legend, this place is the entrance to Siberian Shambhala Siberian land - Belovod'e, mysterious invisible land where the great teachers of mankind are hiding. Looking for this land Old Believers came here, founded the village, developed its own unique culture, far from civilization. The tour participants will get acquainted with the traditions of the Old Believers in the village of Upper Uymon and Nicholas Roerich Museum-Estate, visit the stone statues of the Turkic period and barrows of the Scythian period (VIII - V centuries BC) and Afanasiev culture (IV - III millennium BC) near the village of Ust'-Coxa. The program includes automobile excursion to Red mountain with its lakes and a waterfall between them, visiting Buddhist stupas, Altai and Russian villages, an excursion by all terrain vehicle "Petrovich 204-60" to Bashtalinskoe lake at an altitude of 2400 m and other exciting rides. This is an opportunity not only to see the most of local attractions, but also make wonderful pictures on the memory of this trip.
