

## Volcanoes alive (summer 2020)

This route is good for novices (without special physical training).

For fans of walks on the mountain country.

This tour will acquaint You with groups of active volcanoes which are in relative proximity (25 – 100 km) from Petropavlovsk -Kamchatkiy.

Group "Home volcanoes": Kozelsk, Avachinsky, Koryaksky, Arik, Aag.

Group "Southern volcanoes": Vilyuchinsky, Gorelyi, Mutnovsky, Asachinsky.

You will make some ascensions of various degree of complexity (volcanoes Mutnovsky, Gorelyi, Avacha).

You will be able to visit the unique Valley of Geysers, and make sea walk on the Avacha bay and the Pacific Ocean.

You will swim in natural thermal water pools. You will get acquainted with abundance of the Kamchatka fish production.

## Trip Description

Activities: trekking  
 Group size: 18 people  
 Tour duration: 8 days

## Daily itinerary

1 day	<b>Arrival in Petropavlovsk, meeting at the airport</b> Meeting in the airport, moving to Petropavlovsk-Kamchatsky (25 km). Accommodation in the hotel (DBL), rest, walking to the city. You will have the dinner with the guide at 20:00, discussion the program.	Accommodation: Accommodation in the hotel (DBL)
2 day	<b>Boat trip around Avacha Bay.</b> Watching sea bird colonies of Babushkin Kamen Island, Three Brothers Rocks. Going out into the Pacific Ocean to Starichkov Island. Watching the sea birds colony (incl. the white-shouldered eagle) which is the biggest in Kamchatka. Sea fishing. Salmon lunch. In the afternoon (after 16.00), joining of group and driving to Mutnovsky volcano by "off road" car (100km). Setting up the camp. Spending the night in tents.	Accommodation: Night in tents.
3 day	<b>Mutnovsky Volcano</b> Early breakfast. Ascension in a crater of Mutnovsky Volcano. Survey of active crater, fumarols, mud geysers and boiling coppers. For many of our guests this natural object seemed the brightest on Kamchatka. (Duration and complexity of ascension depends on the period of carrying out and condition of road. So in July because of snow it is impossible to drive up close to the ascension beginning, it can take 10-11 hours. And in August, all foot part will take 4 – 6 hours. ) In the evening return to camp. Dinner and rest in a dining tent.	Accommodation: Night in tents

4 day	<b>Gorely Volcano</b> Early breakfast. Ease ascension to Gorely Volcano across lava fields takes 4 – 5 hours. Survey of three craters with active fumarol, glacier and lake. Return in camp, dinner. Tents picking and moving to Paratunk's resort zone. Placement on recreation facility with the thermal pool. Rest, bathing, dinner.	Accommodation: Paratunk's resort zone
5 day	<b>Koryaksky and Avachinsky volcano</b> Optional. On this day it is possible to go on a helicopter excursion to Geyser Valley and Uzon Caldera. (or Bears of Kuril lake). In the evening driving to saddle between Koryaksky and Avachinsky volcano by "off road" car (45km). Accommodation at the tour basis « Three volcanoes». Accommodation for a night in houses, in rooms on 4 - 10 person. The rest of the group has a small city tour with visiting the city center, fish market and observation places ( with self payment for lunch ) Moving to the settlement Kozyrevsk, which is situated on the shore of the River Kamchatka (90 km, 3 hours). Accommodation in the private tourist shelter, in the wooden houses on the special equipped place. Classic Russian bath.	Accommodation: Wooden houses
6 day	<b>Avachinsky volcano</b> Early breakfast. Ascension on the Avachinsky volcano. Extent of track is 12 km, gather height - 1700 meters. Middle time of ascension of 8-9 hours. In the evening return to camp. Dinner. (It is possible to order a bath for the evening).	Accommodation: Wooden houses
7 day	<b>Camel</b> Excursion walk to the mountain "Camel" (2 km). Photography of mountain flowers and gophers. After dinner driving to Petropavlovsk. Accommodation in hotel, rest, walks around the city. Dinner.	Accommodation: Hotel
8 day	<b>End of the trip</b> Visiting the fish market. Shopping. Souvenirs. Departure to the airport.
