

Baikal - Family tour (Summer '20)

If you are an active family, enjoy spending your time in nature, walking, being far from civilization, this route is for you! The route is adapted for families with children from 2 years old, the group goes by catamaran with motor or walks, all your belongings are carried by freight-carrying catamaran, so the crossings are not difficult, just like a 2-3 hour walk in a park (if you want, you can go by catamaran). Mobile campsite and catamarans are equipped with everything necessary for comfortable vacation. Thermal springs in an amazing place and crossing of the lake by ship will make your journey unforgettable.
