

Dakar rally tour 2019

We have done the Dakar on five previous occasions and have a very good idea as to what is involved in the operation of a successful Dakar Tour.

The Dakar 2019 starts and finishes in Lima, Peru, from 6th January until 17th January. It will be a giant loop rally-route entirely in Peru.

Altairtour and Rally Tours, ship our own Land Cruiser fleet from Russia and New Zealand so that we can access the off road viewing locations, traverse the high altitudes and cope with the long distances and varied weather conditions.
